

# A Light in the Night

© 2024 David E. Mullis

[Verse]

Broken heart never known laughin'  
Every dawn brings sorrow's ragin'  
All alone, he feels forgotten  
Dreams are cold like winter rainin'

[Verse 2]

Night whispers, a restless vision  
Found in dreams, divine collision  
Love unseen, yet always given  
Hope breaks through the bars of prison

[Chorus]

Jesus calls you from despair  
Hidden love breathed in the air  
Eyes now see the truth is near  
Hearts can mend and chase the fear

[Verse 3]

Morning wakes with light so golden  
Riches found in love beholden  
Stranger's hand now there to guide him  
Tears of joy that cleanse and brighten

[Verse 4]

Lonely days, now shades of history  
Faith now spins a new found mystery  
Gentle words that lift the burden  
Life reborn with love that's certain

[Bridge]

Hope can find the lost and shattered  
Through the night dreams, truly matter  
Grace will come like summer rain  
Washing clean the deepest pain

[Chorus]

Jesus calls you from despair  
Hidden love breathed in the air  
Eyes now see the truth is near  
Hearts can mend and chase the fear

[Verse 3]

Morning wakes with light so golden

Riches found in love beholden

Stranger's hand now there to guide him

Tears of joy that cleanse and brighten
